

Getting started

Whether you are embracing ECM technology for the first time or if you are looking to replace or review first generation systems then iiCon's specialist, independent ECM consultancy is invaluable. Our consultants are available to augment your in-house teams at any point throughout the ECM project life-cycle.

Our Strategic ECM/BPM consultancy services include;

- Review and assessment of the latest ECM and BPM technologies
- Advice on corporate ECM/BPM Strategy
- Senior Management – ECM/BPM Awareness Program
- Implementation Strategy
- Business Case and Return on Investment Analysis
- Vendor evaluation and selection
